When quality and performance are as important as price... **You can count on our proven brands**

ACCUENERGY	Power Meters • Current Transformers • Data Acquisition & Communications Software Temperature, Humidity, Presssure, CO2 HVAC Sensors • HMI Displays	
Absolute Process Instruments	Signal Conditioners & Isolators • Signal Alarm Trips • Current Sensors & Switches Loop Power Supplies • Valve Positioners	
ACI	Humidity, Current, Temperature, Pressure and Air Quality Transmitters and Switches Wireless Sensors	
Barksdale CONTROL PRODUCTS	Pressure Switches • Pressure Transmitters • Temperature Switches • Level Switches Flow Switches • Temperature, Level & Flow Transmitters • Valves • Regulators	
CAMILLE BAUER	SINEAX Signal Conditioners • SINEAX Temperature Transmitters KINAX Position Transducers • Electrical Power Measurement	
Cecomp Electronics	Digital Pressure Gauges • Digital Pressure Switches • Digital Pressure Transmitters Digital Temperature Transmitters	
DYNALCO	Magnetic Pickups • Tachometers • Speed Switches • General Purpose Meters Temperature Indicators • Universal Scanners	
EXERGEN CORPORATION	Infrared Thermocouples • Infrared Temperature Scanners • Infrared Thermal Switches	
Mercotac	Rotating Electrical Connectors • Slip Rings	
MINCO	Temperature Sensors & Transmitters • Humidity Transmitters • Hazardous Area Products Flexible Heaters • Temperature Controllers • Flex-Circuits	
MOD-TRONIC INSTRUMENTS LIMITED	3 Channel Temperature Monitor • Mercury-free Slip Rings Custom Flexible Kapton® & Silicone Rubber Heaters	
NK Technologies	Current Sensors • Current Transmitters • Voltage Transmitters • Power Monitors Ground Fault Detectors	
Shinko	Temperature/Process Controllers • Ramp/Soak Controllers • Limit Controllers Digital Indicators • Signal Conditioners • Power Controllers • Recorders • Relays	
Simpson	Analog Panel Meters & Meter Relays • Digital Panel Meters • Advanced Digital Panel Meters GIMA Digital Panel Meters • Counters • Encoders • Test Equipment

AIR QUALITY
- Air Quality Switches
- Air Quality Transmitters

ALARMS
- Annunciators
- Process Control Alarms
- Signal Alarm Trips
- Temperature Alarms

CIRCUITS
- Flex-Circuits

CONNECTORS / SLIP RINGS
- Rotating Electrical Connectors
- Slip Rings

CONTROLS
- Analogue Meter Relays
- Power Controllers
- Process Controllers
- Ramp/Soak Controllers
- Temperature Controls
- Temperature/Process Monitors
- Temperature Switches
- Thermostats

COUNTERS
- Electronic Counters

DATA ACQUISITION
- Data Acquisition/Recorders
- Data Loggers

GAUGES
- Digital Pressure Gauges

HAZARDOUS AREA PRODUCTS
- Explosion-Proof Pressure Transmitters
- Explosion-Proof Temperature Sensors
- Explosion-Proof Temperature Switches
- Flameproof / Intrinsically Safe Assemblies
- Hazardous Area Humidity/Temperature Transmitters
- Hazardous Area Level Switches
- Hazardous Area Magnetic Pickups
- Hazardous Area Pressure Switches

HEATERS
- Anti-condensation Space Heaters
- Flexible Polyimide Heaters
- Flexible Silicone Rubber Heaters
- Nasa Space Qualified Heaters

INDICATORS / PANEL METERS
- Analogue Panel Meters
- Current Indicators
- Digital Panel Meters
- HMI Displays
- Level Indicators
- Temperature/Process Indicators

MONITORS / SCANNERS
- Catalyst Monitor
- Temperature/Process Monitor
- Transformer Temperature Monitor

POSITIONERS
- Position Transducers
- Valve Positioners

POWER MEASUREMENT
- Current Transformers
- Energy & Power Meters
- Frequency Transducers
- Phase Angle Transducers
- Power Transducers
- Programmable Multi-Transducers
- Voltage Transmitters

POWER SUPPLIES
- Power Supplies

RELAYS
- Analogue Meter Relays
- Ground Fault Relays
- Signal Alarm Trip Relays
- Solid State Relays

RECORDERS
- Circular & Strip Chart Recorders
- Paper Chart Recorders
- Video-graphic Recorders

SENSORS
- Bolt-On Temperature Sensors
- Current Sensors/Transducers
- Flexible RTDs & Thermocouples
- Flexible Thermal-Ribbon Sensors
- Flow Sensors
- Ground Fault Sensors
- Humidity Sensors
- HVAC & Refrigeration Sensors
- Infrared Temperature Sensors
- Level Sensors
- Magnetic Pickups
- Miniature Bearing Sensors
- Position Transducers
- Pressure Sensors
- PTC Thermistors
- RTD Elements, Wire-wound & Thin Film
- RTD & Thermocouple Assemblies
- RTD & Thermocouple Probes
- RTD & Thermocouple Sensor Accessories
- Speed Sensors (RPM)
- Stator Winding RTDs & Thermocouples
- Temperature Sensors

SIGNAL CONDITIONERS / TRANSDUCERS
- Analog Input Signal Conditioners & Isolators
- Current Sensors/Transducers
- Current Transformers
- Digital Pressure Transmitters
- Frequency Transducers
- Humidity Sensors/Transmitters
- Phase Angle Transducers
- Position Transducers
- Power Transducers
- Programmable Multi-Transducers
- Square Root Extractors
- Voltage Transmitters

SWITCHES
- Current Switches
- Digital Pressure Switches
- Flow Switches
- Humidity Switches
- Infrared Thermal Switch
- Level Switches
- Pressure Switches
- Signal Alarm Switches
- Speed Switches
- Temperature/Humidity Switches
- Temperature Switches
- Thermostats
- Valve Position Switches

TACHOMETERS
- Digital Tachometers
- Tachometer / Speed Instruments

TEST EQUIPMENT
- Handheld Instruments

TRANSFORMERS
- Current Transformers

TRANSMITTERS
- Air Quality Transmitters
- Analogue Signal Transmitters
- Current Transmitters
- Flow Transmitters
- Humidity Transmitters
- Level Transmitters
- Position Transmitters
- Power Measurement Transmitters
- Pressure Transmitters
- Speed Transmitters
- Square Root Extractor Transmitters
- Temperature Transmitters
- Voltage Transmitters

VALVES / REGULATORS
- Industrial Valves & Regulators
- Valve Position Indicators / Switches
- Valve Positioners
